

Taste update

We hope you are all keeping well and are now managing to get out and see friends and family that you have missed over the last 12 months.

We are certainly missing all our customers.

The refurbishment is coming along nicely but unfortunately will not be finished in time for us to re-open on the 17th May. With the end of term being so close, we have decided that the newly refurbished taste restaurant will re-open on Wednesday 29th September 2021 with a new cohort of students, when hopefully everything will be back to some form of normality.

Bookings are now being taken for September onwards. Please ring 0116 2242060 or email restaurant@leicestercollege.ac.uk to make your reservation. The one-line system will be up and running soon. We are already looking quite busy!

What are our students up to?

Students continue to work hard on their assessments and have produced some great dishes.

I have never tasted so many cocktails, Crepes Suzette and steak Dianas!

Some will be returning next year, a few are going to university and a lot have already secured jobs within the industry.

Will we or wont we get away this year?

I hope some of you will be able to get away for a break and change of scenery this year. The team are looking forward to a well-earned break. Let us hope the sun shines.

See you all in September.

Andrea, Katy, Nicky, and the hospitality team.
