

Taste is re-opening

Hi Everyone

Well didn't that summer go quickly. I do hope some of you got the opportunity to go away and relax.

We are very excited about the new term and meeting our new cohort of students who all started on the 6th September. They are all settling in well.

We have a lovely new restaurant and are now on a countdown to Taste reopening. We will be back to normal from 29th September serving lunches and dinners

Don't forget we are open for lunch on Wednesday, Thursday and Friday and dinner on Wednesday and Thursday evenings.

Christmas bookings are open; we have limited availability, but please ring to check.

The first afternoon tea is on Friday 15th October and is already filling up.

You can make a booking by ringing 0116 2242060 or email restaurant@leicestercollege.ac.uk or book online

Our Covid Guidelines

We want everyone to feel safe about visiting us and therefore have the following in place.

When arriving and walking through college to the restaurant, it is advisable to wear a mask.

Once in the restaurant this can be removed.

Sanitising gel is available on arrival at Taste for you to use should you wish to do so.

All students have had a lateral flow test in college and must test twice a week at home.

Hope to see you soon 😊
