- 1.2 Each Curriculum area will have a designated member of staff in the Information Centre who will be responsible for the processing of all F/T and P/T applications in that area.
- 1.3 The Information Centre will acknowledge receipt of each application within 5 working days of receipt by sending an **Acknowledgement Letter** to the applicant.

- 2.2. The applicant submits application form via UCAS Progress, usually with guidance from their school.
- 2.3 The Information Centre receive the application and send an acknowledgment to the applicant via UCAS Progress.
- 2.4 The Information Centre staff read the application form and reference, and match the applicant's predicated grades to the entry requirement of the course they are applying for.

- 2.5 If the application meets the entry requirements for the course and has a satisfactory reference they are made a conditional offer and their curriculum department invites them to a curriculum Welcome Event.
- 2.6 Where an applicant does not meet the entry requirement for the first course that they have applied for, the Information Centre staff will check the entry requirements for a course in the same curriculum area at a different level or will check the entry requirements for their second and third choice.
- 2.7 Where an offer is being made, the Information Centre will submit a conditional offer on UCAS Progress and also send out a conditional offer letter from the college via EBS to the applicant.
- 2.8 Once the applicant receives their offer on UCAS Progress they have the option to accept or decline the offer via the same system.
- 2.9 The Curriculum Administration team will access a report each month from the College dashboard to select all conditional offer applicants. They will then write to these applicants to invite them to attend a Welcome Event.

- 2.11 If curriculum staff decide to withdraw an applicant's offer they will inform the Information Centre, who will send a withdrawal of the offer via UCAS Progress to the applicant.

3. Below Minimum Requirements

- 3.1 If an applicant who does not meet the entry requirements of any courses in their area of interest their application form will be examined to see if they can be referred to other areas. The applicant will be contacted by telephone to discuss their options. If the applicant cannot be contacted by telephone a **Below Minimum Requirement Letter** will be sent to them. This informs the applicant of the status of their application and provides telephone numbers for them to contact the College.
- 3.2 Student Services staff have access to reports showing BMR (Below Minimum Requirement) to provide careers advice and support.
- 3.3 When a suitable course is found the application will be returned with this indicated on the form. The application process will then be resumed. If no possible alternative course can be found the applicant must be informed and sent the **Options Exhausted letter**, which will withdraw the application and file it in the withdrawn file.

4. Courses that require an interview

- Stage 3 – Offer Acceptance
- Stage 4 – Welcome Events

- Offer of a place (conditional or unconditional)

7.1 On receipt of the completed reply Slip, or notification via UCAS Progress, the Information Centre will update the applicant's record in EBS with details of Acceptance or Decline of the Offer and Previous Conviction Declaration.

7.2 The Reply Slip will be retained in the Information Centre together with the original Application Form.

8. Late Applications (Applications received on or after GCSE results day)

8.1 The Information Centre will send out an Invite to the Enrolment event letter to applicants, informing them that their application has been received and that they can discuss the course they are applying for with a tutor at the event.

8.2 The Information Centre will send the application form directly to the relevant interviewing tutor or PAM.

8.3 The interviewing tutor may contact the applicant to arrange a mutually convenient time for interview.

8.4 The Information Centre will cease to send out Offer Letters at this late stage and therefore arrangements should be made to enrol the applicant by contacting the Information Centre directly.

9. Joining

9.1 In the spring term, the Enrolment Project group will agree an enrolment calendar and will then confirm the dates and times of Enrolment sessions with Curriculum Directors.

9.2 In late July, the Information Centre will send out **Joining Letters** to all applicants with conditional or unconditional offers, informing them of their Enrolment date, time, and guidance on fees and fee waivers, etc.

9.3 In late August, the Information Centre will print Enrolment Forms for distribution during the Enrolment Event.

10. Reporting Procedures

10.1 Reports on application numbers, offers and progress are available on the College Dashboard via Learners and Funding.

11. Welcome Events

11.1 Each curriculum area will arrange Welcome Events, to introduce the applicants to the curriculum area, throughout the year for those who have been offered a place on a course. Following Welcome Events curriculum areas need to ensure 'keep warm' activities take place throughout the year. The Marketing department can support these with activities.

12. Convictions and Risk Assessments

12.1 Student Services carry out risk assessments on all applicants who are required to complete a DBS check form, and on applicants who have

indicated on their offer Reply Slip that they have a criminal record. On some occasions this may result in Student Services withdrawing the application.

13. Fee Status

- 13.1 Applications received from students who are living in the UK but who have indicated that they are not British or have not lived in the UK for the past three years will be sent a **Fee Status Letter** from the International Office at APC. This letter will invite them to make an appointment with a Welfare Advisor at the college (and to bring in their passport and immigration documents).
- 13.2 After the meeting with a Welfare Advisor a decision will be made as to whether they qualify as **home** status for fee purposes.
- 13.4 The application form will action one of the following procedures:
- Home Status – Application Procedures carried out by the Information Centre
 - Overseas Status – Application Procedures carried out by the International Office at APC.

14. Apprenticeship Training Agency (ATA)

- 14.1 Applicants who choose an apprenticeship for their first choice will follow one of the following routes:

Applicants with an employer:

The Information Centre will check CRM to establish if this is a new or existing employer.

Where the applicant has an existing employer the application form will be referred to the appropriate BDM (Business Development Manager).

Where the applicant has a new employer the application form will be referred to the appropriate TC (Training Consultant)

In both instances the applicant will be informed of their progress by the ATA.

Applicants with no employer

Where the applicant has no employer listed the IC staff will also book the applicant onto an appropriate full time course interview and also refer the application to the ATA for potential traineeship programmes. The reason for arranging an interview on a full time programme is to ensure that if the applicant is unsuccessful with an Apprenticeship they have an alternative full time offer.
